

Story of the Hirsch

Wein.Lokal.

Our story began in June 2015 with a phone call from Tom Blair, the most dynamic and cheerful jeweller Bad Cannstatt ever had to offer. He advised us, to our surprise, that the restaurant Meran at the Cannstatt marketplace was for sale. We quickly got in touch with the owner Bea Stimpfig, who had done a really good job there for five years. With the same speed we made the arrangements for the sale. All this thanks to the active support from the vinery of the Weingärtner Bad Cannstatt, Bea and our friendly landlord. We were especially happy because we had cast an eye at this location back in 2009. At that time we first had the idea for DER ROTE HIRSCH.

But why call it „Hirsch“ (deer)? The name was inspired by a tavern named „Hirsch“ which used to be in this building until the 1950s. The colour was taken from the logo of Bad Cannstatt and because of our distinct love for the football team VfB Stuttgart. Well, and we want to show you that we're not just any deer, but a red one.

The byname „Wein.Lokal“ (wine.local) stands for the heart of our concept. The „Wine“ part is straightforward: We're only selling excellent local wine from the Weinfactum Bad Cannstatt, with one exception per month. The wine can also be taken home or be delivered to you.

But the „Lokal“ needs some more explanation. Of course „Lokal“ means in German restaurant. But it also means „local“,

representing our home region as a vital part of DER ROTE HIRSCH. For our guests we provide as many products as possible from around our area that has so many great things to offer - from meat to whiskey. Naturally we make sure quality and price are appropriate. Nonetheless we don't exclusively process regional goods. Products from foreign countries are also exciting and we love the multicultural cuisine.

But the most importantly and frankly we want our food to be to your liking. Should that ever not be the case please let us know so we can address it.

Just a few words about our interior. It is traditional and modern at the same time thanks to the great woodwork from South Tirol our predecessors at the Meran used so generously. Looking around you will also find a lot of local patriotism. As natives of Cannstatt we're especially proud of our town, which was independent from the neighbouring city of Stuttgart until 1906. On our walls you can discover the uniqueness of Bad Cannstatt. Did you know for example that the world has this town to thank for the bra? Have a look around and you'll discover much more!

But now enough of the stories. We thank you for your curiosity and we wish you a delightful stay at DER ROTE HIRSCH.

Your hosts,
Christian List & Sven Heinrich
